

INTRODUCING THE

IFI Startup Kit

1  team with a vision + 1  IFI Startup Kit

=  **Develop an International Student Ministry from the ground up**

WHAT IS THE KIT?

The IFI Startup Kit is an interactive web-based training program packed with practical equipping and resources designed to help you successfully launch an international student ministry.

The Kit is organized into six sections, each with valuable guidance drawn from IFI's decades of experience. Learn about building a ministry team, fundraising, volunteer recruitment, discipling internationals, and much more. Ready to get started?
